CHURCH DEDICATION

Continued from Second Page.

To make way for the erection of his new Church the removal of the old pastoral residence was necessary. Within the first year of his pastorate Father Jones erected and paid for a suitable modern Pastor's house. The character of man he is shown not less by his tenderness of feeling for the dead than by his solicitude for the living. On the busiest days of his career Father Jones never forgot his dead. No weather was too inclement, no duty too exacting to bar his personal activities from the "God's Acre," as he lovingly refers to it, until now, as if by magic, Washington Catholic Cemetery, which he has increased in acreage and in charm, is among the truly beautiful graveyards of the South.

He has purchased for his teachers a handsome, commodious Convent Home—"Loretto Heights"—on East Fourth street, and now he has the handsomest \$100,000 Church edifice in the State of Kentucky, if not in the United States, whose plans were his own, whose every foundation stone, every slate of whose roof, every brick in whose walls, every foot of plaster, every piece of terra cotta, every article of Church furniture therein was subjected to his own close, personal, scrutinizing inspection. He, in person, oversaw and passed judgment upon every detail of the work in every department of construction, watched it with a jealous eye and with a care and solicitude with which a fond parent notes the development of his own child. The thousands of dollars which he has thus saved to his congregation will never be known, for it cannot be estimated by human ken.

J. JAS. WOOD & SON.

What is the real secret of Father Jones' success? To his own people, and to those outside of his congregation who know him, it is not far to seek. Never was a collection announced in his Church but what he, out of his own meager purse, was the very first and most generous giver. The impelling force of example in giving more than precept was what he set before his congregation. His life-sermon has been less of the "Go thou and do likewise" than "Follow me." As his congregation well knows, the Apostle Paul, in his voluntary poverty, was never poorer than their beloved Pastor, Father Jones, is today, as a result of his generous giving. After all, it is the power of example that moves the world.

The architecture of the new St. Patrick's Church is Gothic, somewhat modified by the cruciform feature, which is a characteristic of the Romanesque style. It is the Gothic archi-

tecture which gives charm to the ancient Cathedrals of Europe, notably St. Dennis, Bourges, Chartres, Rheims, Strausberg, Cologne and Notre Dame, of which latter the new St. Patrick's is, in many of its features, a replica. The entire dimensions of the Church are 145 feet in length, 66 feet in width, with 53 feet clear space to the top of the arches that span the uplifting nave. The seating capacity is 1,200.

The choir loft is at the front and is reached on the left by a beautiful oak stairway, which corresponds with the massive quartered and polished oak doors, columns and huge arched casing, which are very massive, solid and the most beautiful yet installed in any Kentucky Church edifice.

The three vaulted front portals at the North entrance and the one large one at the West form the outside ingress to the vestibule or lobby, which has a cement floor and is very large, being 20x66 feet in dimensions. The inside doors, numbering six, are double swing pivot doors, are noiseless and fitted with the latest improved fixtures and stops. The huge windows and the smaller ones of the Church are now only temporarily filled with double strength glass. Later these will be removed and art Cathedral glass will replace them at a cost of many thousand dollars.

REV. FATHER P. M. JONES.

The men whose work and materials have so beautifully executed the ideas of Rev. P. M. Jones, whereby the Church is made "a thing of beauty," are as follows:

The elegant and universally admired mill work is the output of the Maysville Manufacturing Company, into which work Mr. L. M. Mills, the competent manager of the said company, has put the very best that money and high class skill could provide.

The brick and stone work was done by Messrs. John V. Dea and by the firm of Bailey & Tolle. Their work bespeaks for them the encomium they have well earned more emphatically than words.

The painting was done by Messrs. Davis Bros. of this city, artists in their lines.

The drawings for the building were executed by Mr. David Davis, Architect, Cincinnati, Ohio, in accordance with the ideas of the Reverend Pastor, Father Jones.

The architectural iron work was done by The L. Schreiber & Sons Company, Cincinnati, O. The terra cotta was manufactured by The Brick, Terra Cotta and Tiling Company of New York.

The slating was furnished and put on by The Jacob Freund Roofing Company, Cincinnati, O.

The real marvel of the progress of St. Patrick's and the great merit of it, as THE LEDGER sees it, lies in the fact that with so much accomplished within such a brief period, the Church is today comparatively free from debt. So insignificant is the sum that remains unpaid

that Father Jones' congregation refuses to refer to it as a "debt," but to regard it rather as a "current expenditure." THE LEDGER has learned from authentic sources that the present indebtedness is much smaller in amount than that which hung over the congregation when Father Jones first assumed the helm. A singular extraordinary fact connected with the building of the St. Patrick Church is that Father Jones never appealed for funds to any one outside of his own congregation, which cheerfully and without regarding it a burden footed all the bills. And this was done, it should be added, without recourse to the ordinary sources of Church revenue, such as strawberry and other festivals, oyster suppers, fairs, box parties, picnics, bazars and like schemes, all of which, he is said to the wisdom of the day, are fast losing prestige. In this respect the Maysville St. Patrick congregation stands a model to many even cosmopolitan Churches.

Although, as has been said, Father Jones has never appealed to others outside his congregation, yet THE LEDGER is directed to say that some few citizens outside of his congregation have given valued donations, which donations, because unsolicited, are the more appreciated by all concerned. Due acknowledgement of these gifts has been, and will continue to be made.

With such a brilliant history, covering a brief decade, bristling with worthy achievements, THE PUBLIC LEDGER congratulates both Pastor and people of St. Patrick's Parish.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbagoes, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these troubles. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

Miss Frances Frazee is attending the National Convention of the Chi Omega Fraternity in Lexington.

A horse attached to a huckster wagon frightened at an incoming train at the C. and O. Depot yesterday afternoon and ran off. He was caught at Wall street; damage slight.

HERE'S A CLEVER PROPOSITION.

Mr. Charles P. Dieterich of the firm of C. P. Dieterich & Bro. authorizes THE LEDGER to say, for the preservation and beautifying of the Esplanade, if the proper openings are made in the cement covering, that he will plant trees, hardy vines and flowers, and that he will see that they grow, all without any expense to the city.

Why not show proper appreciation of a courteous offer like that? Save the Esplanade!

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

Available by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Mrs. E. G. King of Market street, who underwent an operation at Wilson Hospital Thursday, is getting along nicely under her attentive and careful treatment.

Mr. Cole Wilson had an experience and narrow escape yesterday afternoon. While watering his mule above the wharfbank the animal was struck on the legs by a piece of floating drift and in its fright sprang forward out in the water, taking the dray and man along. Mr. Wilson made a landing a short distance above the wharfbank, none the less hurt than a big scare.

The Internal Improvement Committee, with Mayor Lee added, and officials of the Maysville Street Railway Company, had a meeting yesterday afternoon endeavoring to arrive at an understanding as to the amount the latter shall pay in the reconstruction of the car track in Market street in consequence of bricking said thoroughfare. It is said they are some distance apart as to the amount offered.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which, despite the most beneficent environment of soil—of sunshine—and of atmosphere, seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

Home-Grown Strawberries

Now coming. The crop, on account of the many freezes during the spring, will be very short, but I am expecting fairly good runs and will do my best to fill all orders. Later on RASPBERRIES, both black and red, and cultivated BLACKBERRIES will come. I hope to be able to fill all orders for these popular fruits. My receipts will be from the most experienced growers and handlers in the Ohio Valley, placed on the market here on same days they are picked and always sold in full size or standard cups. Place your orders with me and you can depend on getting THE BEST in the market.

My stocks of Vegetables will at all times be full and the best the markets afford.

Tomorrow

Bishop Maes to Bless and Dedi-

Father Jones to Behold His Patient
Labors Crowned With Success

With all the deep significance of the Roman
Catholic Ritual, the beautiful new St. Patrick

Church, corner Third and Limestone streets, will be solemnly dedicated to the services of the Almighty on Sunday next, tomorrow. The Rt. Rev. Camillus Paul Maes, Bishop of the Covington Diocese, will officiate, assisted by the Rev. Pastor, Patrick M. Jones, and by many visiting Clergymen. It will indeed be a red letter day for the Catholics of this community, who are, numerically speaking, the strongest religious body in Mason county.

The celebration will be three-fold; a large

class of First Communicants will receive the Sacrament of the Holy Eucharist, and the same class, enlarged by many from St. Rose Parish, Mayslick, will receive Confirmation, and finally the massive, handsome new Church, which is an ornament to this community, will be dedicated.

The order of exercises will be as follows:
At the 6:30 o'clock Mass, the celebrant of which will be the Rt. Rev. Bishop C. P. Maes, the Sacraments of Holy Eucharist and Confirmation will be received.

The musical part of the service will be in accord with the dignity of the occasion. At 6:30 o'clock Mass the Junior Choir will render the following:

Marche Tannhauser.....Wagner
Mater Admirabilis.....Sisters of Loretto
O, Jesu Deus.....Witt
Hymn of Reparation.....Selected
The First Communion.....Gruber
Veni Creator.....Selected

Immediately before the 10:30 o'clock service, which will be a Solemn High Mass, coram episcopo, the large new Church edifice will be

solemnly dedicated. In accordance with the Roman Ritual, from this service of dedication all persons excepting the officiating Clergy and the choir will be excluded. To the 10:30 o'clock service, the invited guests, the congregation and all interested will be made welcome. At this ceremony the following will participate:
Celebrant of Mass—Father Ignatius, C. P., Cincinnati, Ohio.
Deacon of Mass—Father Cletus, C. P., Cincinnati, Ohio.
Sub-Deacon of Mass—Rev. Coleman, Brooksville, Ky.
Master of Ceremonies—Rev. J. L. Gory, Chan-

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who
Feels That Her Strength Was
Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework."

"My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

And you are not the only lady who thinks so, Mrs. Baker.

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract, of natural vegetable herbs, that have been found to regulate the woman's functions and strengthen the female system.

All druggists sell Cardui.
See yours about it.

The sermon will be delivered by the Chancellor and Secretary of Covington Diocese, Rev. James L. Gory, Covington, Ky.

At this Mass the music will be rendered by the Senior Choir, whose fame for music of a high order is established. The choir will be largely augmented for this occasion, and Mr. W. A. Cole, Musical Director, with Miss Abbie Downey presiding at the organ, will render the following selections, every number of which, with one exception, is presented for the first time in this city:

The Knights of St. John and the Knights of Columbus will take part in the functions of the day. The Knights of Columbus, whose reputation for hospitality is more than local, will on Dedication Day at the Knights of Columbus Home keep "open house." THE LEDGER is authorized to say that all, and especially visitors, will be accorded a gracious welcome at the Knights of Columbus Home in this city.

Sunday's dedication will be the realization of a hope long cherished by the people of St. Patrick's, who for 25 years, with prayerful longing, have dreamed of a new Church edifice similar to such as is now theirs. The realization exceeds their most sanguine fancy. They needed only the leadership of one person, thoroughly in sympathy with them, to crystallize this sentiment into a great working force, and that leadership was found in their present beloved Pastor, Rev. P. M. Jones. The briefest statement of his accomplishments for his people during the brief ten years of his pastorate can scarcely be made without seeming exaggeration; but facts are facts, and only such shall now be recorded by THE PUBLIC LEDGER.

Greeted on his advent to Maysville by a large Church debt and Church properties so primitive that induction into the same was generally accompanied by an apology for their antiquity, Father Jones at once grasped the situation, and from that day a new era is

marked in the history of his congregation. His first act was an educational movement, whereby he established a modern, up-to-date, free Parish School and installed as teachers six Nuns of that famous and successful teaching Order, the Sisters of Loretto. From this school no child is excluded because of religious belief. The great public good which is done by this school, in only a monetary way, may be

calculated when it is remembered that the approximate annual per capita expenditure for pupils in the Public School is estimated at about \$50, and that there are about 300 pupils attending St. Patrick's Parochial Free School; thus there is a saving to the Public School Fund of about \$15,000 annually.
